

# 1. App. Access Rights

The dashboard features a left-hand navigation menu with the following items: Staff/User, Student, eClass, Fee, Exam, eStudy, SMS, Expense & Income, Report., and Help. The main content area includes a 'Fee Collection' bar chart with a callout for June showing a 'Received Amount: 2,000'. To the right is a 'Fee Status' section with a pie chart and a table:

Fee Status		Today Fee Collection: ₹ 0
1	Total Fees	₹ 209840
2	Received Fees	₹ 42894
3	Pending Fees	₹ 166946

Below the charts are two large summary boxes: 'Today Expense ₹ 0' and 'Total Expense ₹ 17969'. A callout bubble points to the 'App. Access Rights' option in the navigation menu with the text 'Click here to open'.

You can see all device details on below screen

The 'Mobile Device Access Rights' screen shows a table with the following data:

Student Name	Standard	Total Device	Active	Deactive	Last Login Date
Chirag L1 Ramola	10th Standard	3	3	0	23 May 2020
Jay L2 Prajapati	10th Standard	3	3	0	11 Jun 2020
John Doe	10th Standard	15	15	0	18 Jun 2020
Rahul G Chaudhari	10th Standard	1	1	0	18 May 2020
Vilesh R2 Prajapati	10th Standard	1	1	0	18 Jun 2020

Callouts include: 'Search the student' pointing to the search bar; 'Click here to manage device access status' pointing to the 'Total Device' column; 'Active device count' pointing to the 'Active' column; and 'Deactive device count' pointing to the 'Deactive' column. The page footer shows '01-05 of 05 record(s)' and a display of 10 records.

After clicked on total device button popup will open and you can see all the device list on below screen. If access status is “Yes” then student can do login in application else student can not do login so, you can give rights to students on which device application student can do login or not.

The screenshot shows a web application interface with a sidebar menu on the left and a main content area. The sidebar menu includes: My Panel, Dashboard, Settings, Setup, Staff/User, Student, eClass, and Fee. The main content area is titled 'Mobile Device Access Rights' and contains a table with columns: Student Name, Standard, Total Device, Active, Deactive, and Last Login Date. A popup window titled 'Total Device List' is open, showing a table with columns: Device Id and Access Status. Below the table are two buttons: 'Block' (green) and 'Unlock' (red). Callouts point to the checkboxes, the 'Block' button, the 'Unlock' button, and the 'Access Status' column header.
